Ramapo Marching Band members only: We will be taking a trip next year to Disneyworld, FL and if accepted, marching in the Magic Kingdom. This trip happens every four years. Tentative dates are March 23-27. Will you be a part of this trip? YES NO

Please remember that the marching band is an extra activity, just like any other sport. You may take the concert band, symphonic band, or wind ensemble class at the high school without being a member of the marching band. We hope, however, that if you like music and are good at your instrument, that you will join us in this extraordinarily fun and exciting activity.
