

February 2019

Dear Parents of Incoming Kindergarten Students:

Kindergarten registration marks the beginning of an exciting journey for your child(ren). I am pleased to inform you that the Wyckoff School District offers an extended, 3/2 kindergarten program to meet the academic needs of our youngest learners. This means that students will attend school for 3 full days and 2 half days per week. (A sample schedule is attached for your information.) Our schedule offers more time for both instruction and socialization. It also allows for greater personalization, differentiation of instruction, and opportunities for curricular connections.

We are committed to providing an equitable and consistent education for all in-coming kindergarten students at each elementary school. If an imbalance in the kindergarten class size in any of our four elementary schools should occur, we may assign your child to a different elementary school for kindergarten. Please note: this policy applies to students *new* to the district without already enrolled elementary-aged siblings.

We take into consideration the balance in number of boys/girls within each classroom. We understand and appreciate the complexity in scheduling activities for your child should after-school care be necessary. If there are special circumstances that require your child to attend one particular group (A or B), please email Tricia Landel [plandel@wyckoffschools.org](mailto:plandel@wyckoffschools.org) by March 29, 2019 stating the specific reasons your request should be considered. We will try to accommodate your request, but it is possible that your request will not be honored. Final determination of class sections and A/B groups will be made after our registration period is complete with notification of your child's placement and schedule on or before the end of this school year.

As always, the entire Wyckoff School Community is here to assist you and your child in the transition to our kindergarten program and schools. Please do not hesitate to contact us anytime throughout the registration process.

Your signature below indicates that you are aware of the District's procedures in determining class sections.

Sincerely yours,

Jeffrey Feiler, Ed.D.
