Dear Parents of Incoming Kindergarten Students:

Kindergarten registration marks the beginning of an exciting journey for your child(ren). I am pleased to inform you that the Wyckoff School District offers an extended, 3/2 kindergarten program to meet the academic needs of our youngest learners. This means that students will attend school for 3 full days and 2 minimum days per week. A sample schedule is attached for your reference. Our schedule offers more time for both instruction and socialization and allows for greater personalization, differentiation of instruction and opportunities for curricular connections.

We are committed to providing an equitable and consistent education for all incoming kindergarten students at each elementary school. If an imbalance in the kindergarten class size or an imbalance of boys/girls within each classroom of our four elementary schools should occur, we may assign your child(ren) to a different district elementary school for kindergarten. Please note that this policy applies to students *new to the district without currently enrolled elementary-aged siblings*.

We understand and appreciate the complexity in scheduling after school activities and child care for your child(ren). If there are special circumstances that require your child to attend either the A or B schedule, please email Patricia Landel at the district Board Office at [plandel@wyckoffschools.org](mailto:plandel@wyckoffschools.org) by March 30, 2021, detailing the reason your request should be considered. We will do our best to accommodate your request, however, it is possible that your request will not be honored. Final determination of class sections and A/B groups will be made after our registration period is complete. You will be notified of your child(ren)'s placement and schedule at the end of this school year.

As always, the entire Wyckoff School Community is here to assist you and your child(ren) in the transition to our kindergarten program and to our schools. Please do not hesitate to contact us at any time throughout the registration process.

Sincerely Yours,

A handwritten signature in black ink that reads 'Kerry Postma'. The signature is written in a cursive style.
