Wyckoff Schools Weekly

October 16, 2020

Dear Wyckoff School District Community,

Our Back-to-School Nights are now complete, a landmark that represents the school year being successfully underway. I have had a chance to check in on the schools these past few weeks, to see our students and talk with our teachers, and to enjoy the scenes and stories of engaged learning and renewed connections. I am reminded of the key role that relationships play in learning and growth. Below are a few important reminders:

Selection Change

As was communicated in Tuesday's letter, today is the last day for families to change your selection of either Remote or In-Person Learning by notifying your school office. The requested change will go into effect on Monday, October 26th and will be in effect through the end of November. Please note: If you are not making a change, no action is needed.

Election Day

All schools in the Wyckoff School District will operate with fully remote instruction only on Election Day, Tuesday, November 3rd.

Test Call this Sunday

There will be a test of our emergency broadcast system this Sunday evening, October 18th. Any parent or staff member that does not receive the test call should alert your school office on Monday so we can update your contact information. Please see the [text opt-in flyer](#) if you would like to also receive a text message.

Thank you for your continued partnership, and I wish you an enjoyable weekend.

Sincerely,

Kerry L. Postma, Ed.D.
Superintendent of Schools
