

Wyckoff Schools Weekly

September 4, 2020

Dear Wyckoff School District Community,

September is here! We welcomed our teachers back this week, and we are all looking forward to welcoming our students back virtually on September 10th and in-person on September 24th for those families who selected this model.

A big thank you to the staff for your hard work and dedication as you prepare your lessons and classrooms for the return of students. This week, all teachers received a variety of engaging professional development provided by our very own Wyckoff teachers and coaches. Sessions included “What does remote instruction look like? What’s new in educational technology? How does the workshop approach translate in remote learning environments?” as well as curricular updates, department meetings, and grade level meetings.

We are happy to report that on September 2nd, the Wyckoff School District’s [Return to School Plan](#), posted on our [website](#), was reviewed by the Department of Education Bergen County Office and found to meet all required elements of the [Road Back: Restart and Recovery Plan for Education](#).

Parents, please watch for communication from your school principal regarding the on-site orientations for Kindergarten and Grade 6 next week. Principals will also be sharing information regarding upcoming opportunities for outdoor visits for K-5 students.

I wish you and your families an enjoyable holiday weekend.

Sincerely,

A handwritten signature in cursive script that reads "Kerry L. Postma".

Kerry L. Postman, Ed.D.
Superintendent of Schools
