

The “Social Club”

A Full Day Social Skills Enrichment Opportunity Returning to Wyckoff

Age ranges extended! Welcoming students entering Kindergarten-6th grade!

This summer your child can discover a unique program filled with fun and enrichment! The “Social Club” is a full day program taking place during the month of July in Wyckoff, NJ. The program uses daily social skills instruction as well as practice, feedback and encouragement to improve communication, problem solving, decision making, self-management, and peer relations. The students are provided opportunities to not only learn skills in insolation, but also to generalize skills during fun activities such as robotics, cooking, and PE. The types of social skills addressed include: basic classroom survival skills; friendship making and keeping skills; practice for dealing with feelings, stress and frustration; planning/organizational skills as well as social communication skills.

What Parents are saying about the Social Club

“Each weekly camp segment is well researched and implemented.”

“The approximation to a normal school day and the consistency of a full five day week helped my sons to integrate more easily back to school in the Fall.”

“We highly recommend this program and we cannot wait for next summer.”

“For the first time ever, my son enjoyed going to camp. Parent to parent, I cannot recommend the Social Club highly enough!”
