Dear Parents/Guardians,

The Wyckoff Board of Education and I deeply appreciate your understanding and cooperation as we make calendar adjustments due to emergency weather-related closings. At this time, the current school calendar has been revised to include April 11, 12 and 13, 2018 in the regular school year calendar. We understand that this change in April's recess may cause an inconvenience. However, the Board and I feel that this schedule provides the best opportunity to gain back the most meaningful instructional days. In addition, our amended calendar is consistent with the revised school calendar of the Ramapo Indian Hills School District, a district many of our families' children attend. If no other inclement weather days are needed, the anticipated final day of school for students will be Wednesday, June 20, 2018.

I have received several emails from parents inquiring how their children's absence will be recorded for April 11 - 13, 2018. In accordance with the provisions of N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200, a student's absence from school is considered unexcused, with exceptions only for medical or religious reasons.

Should you have any questions or concerns, please feel free to contact your school building principal or my office. On behalf of the Wyckoff Board of Education and Administration, I would like to extend our sincere appreciation for your understanding and cooperation and wish you all a continued successful school year.

With sincere regards,
