The theme of this years' show is much like popular reality TV shows, with oddly-matched, yet well known characters sharing a house, their clashing personalities and annoying comical traits make for big laughs. Big trouble arises when the landlord demands the rent and when the characters attempt to come up with the money, that's when the craziness ensues!

(For example, Spiderman tries window washing, Sia goes on Dancing With the Stars, and Shrek and Hulk go on casting calls, plus we see Yoda, Darth Vader, Marge & Homer Simpson, Katniss Everdeen, Wiley Coyote, Road Runner, SpongeBob and much more!)
