**in partnership with the Wyckoff Public Library and the Ramapo HS Green Team**

*Refreshments available • Discussion to follow each film • all films PG-13*

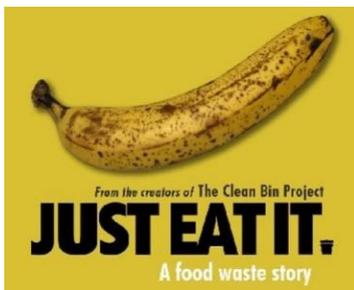

- The film reveals pioneering renewable-energy solutions, while underscoring notions of human resilience and social justice and shows how politicians, business executives and activists can work together to make lasting, positive change.
- *Discussion: Meet local vendors and listen to NJ Clean Energy expert Scott Hunter discuss how to reduce energy costs in your home*

**Wyckoff Library, Thurs., March 1<sup>st</sup>**

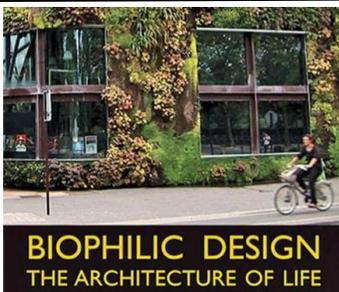

- A scientific adventure about the remarkable Monarch butterfly migration and the determined scientist who spent 40 years trying to discover where the butterflies disappeared when they flew south for winter.
- *Discussion: North American Butterfly Association, NJ Chapter President, Sharon Wander will present a nectar plant presentation.*

**Wyckoff Library, Thurs., March 8<sup>th</sup>**

- An entertaining Look at the culture of excess and our obsession with expiration dates and perfect produce
- In a nation where one in 10 people is food insecure, the images of squandered groceries are both shocking and strangely compelling.
- *Discussion: What will the consequences be? Join in the solution as we discuss composting and alternative buying sources*

**Ramapo HS, Thurs., March 15<sup>th</sup>**

- **AIA-Architect League of Northern New Jersey** sponsors and present Biophilic Design: A design revolution that connects buildings to the natural world, buildings where people feel and perform better.
- An innovative way of designing the places where we live, work and learn to include nature.
- *Discussion: Join a conversation with local architects to see how ideas from the film can be used in your home and workplace*
