A Cardboard Challenge is an event where people of all ages work together to build games and other fun creations out of cardboard. Join our leaders, Brandon, Francesco, Elan, Ally, and Joe, students at Ramapo High School, for a very memorable afternoon of creative play at the Wyckoff Public Library. All creations will be included in the Ramapo High School Cardboard Challenge Global Day of Play.

All ages are welcome! Snacks will be provided. Come to the Wyckoff Public library and let your imagination run wild!

*****The Global Cardboard Challenge is inspired by a very creative nine-year-old boy named Caine Monroy. Watch the short film about him at cainesarcade.com*****
