

## Wyckoff PTO Economy Shop

The Wyckoff PTO Economy Shop is a local non-profit consignment store staffed and managed 100% by volunteers. This little red shop, located on the corner of Wyckoff Avenue and Main Street (by the train tracks - 399 Main St.) has consistently been one of the top fundraisers for our schools, year after year. All proceeds benefit our 7 area schools. (including Ramapo and Indian Hills) We are always seeking new volunteers to work a 2-3hr shift. Whether it's once a week or even just once a month, it helps keep our shop doors open and running efficiently. HS students can earn community service hours when they volunteer. Visit our Volunteer page on our website for more details, to view shift options and to sign up . Training sessions are available and a volunteer can train you during your shift. Questions can be sent to [youreconomyshopshift@gmail.com](mailto:youreconomyshopshift@gmail.com).

And, as always, the shop is accepting gently used donations of household items, clothing, sports goods, decorations, etc, in great condition. And we also have opportunities to open accounts so you may consign your items at the shop. It is a win-win for both you and the shop!
