March 2019

Dear Fifth Grade Parent/Guardian of Incoming 6th Grader:

In just a few short months, your child will embark on his/her journey through middle school. Over the years, we have found that providing a comprehensive orientation program for parents and students assists families in making a successful transition. Eisenhower's orientation program takes place in the following manner:

- | | |
|----------------|---|
| April 4 | Parent Orientation
7:00 p.m. - Building Tour
7:30 p.m. - Presentation |
| May | The fifth grade students from each elementary school visit Eisenhower where they take a tour of the building and learn about Eisenhower's programs. |
| August | Scavenger Hunt (information mailed over the summer) |

You are invited to an orientation meeting in the Eisenhower Middle School multipurpose room on Thursday, April 4, 2019. To help orient new parents to the building, our 6th grade facilitators will be offering a building tour that will begin promptly at 7:00 p.m. All parents are invited to attend the full orientation from 7:30 – 8:30 pm. Whether you are an experienced middle school parent or are entering this experience for the first time, I encourage you to attend. You will learn about our many programs, our schedule and activities, as well as the changes that are taking place at our school.

In addition, we will be introducing your child's Frost Valley experience that will take place September 25-27, 2019. This meeting will answer many of your questions about this worthwhile experience. In the meantime, I invite you to peruse the Frost Valley website at <http://www.frostvalley.org/>. Included with this letter is a memo regarding the trip. Please take a moment to fill out and return the bottom portion along with your deposit check.

I look forward to seeing you in April.

Sincerely,

Chris Iasiello
Principal
