

WASHINGTON SCHOOL AFTER SCHOOL PROGRAM CLASSES

FALL Session

WHO:

Washington School Students

WHAT:

TUESDAY

ROBOT
RUMBLE
(3-5)

GOLF
(K-5)

WEDNESDAY

CLUB SCIENTIFIC
(K-2)

TENNIS
(K-5)

THURSDAY

LACROSSE
(3-5)

CHEERLEADING
(K-2)

FRIDAY

CREATIVE COOKS
(K-5)

CHECKMATE
CHESS
(K-5)

WHEN:

3:30-4:30pm at Washington School

Tuesday: 9/25, 10/2, 10/9, 10/16, 10/23, 10/30, (no 11/6), 11/13, 11/20

Wednesday: 9/26, 10/3, 10/10, 10/17, 10/24, (no 10/31), (no 11/7), 11/14, (no 11/21), 11/28, 12/5

Thursday: 9/27, 10/4, 10/11, 10/18, 10/25, 11/1, (no 11/8), 11/15, (no 11/22), 11/29

Friday: 9/28, 10/5, 10/12, 10/19, 10/26, 11/2, (no 11/9), 11/16, (no 11/23), 11/30

HOW:

Register Online at wyckoffymca.org or Call 201.891.2081

Deadline to register is Fri., September 14

AFTERCARE PARTICIPANTS ONLY:

If you are registered for a class and Aftercare on the same day, you will receive \$25 off the class price. Register through RobinB@wyckoffymca.org directly to receive this discount.

CONTACT:

CLASS DESCRIPTIONS:

CHECKMATE CHESS: For beginners, intermediate, and advanced students. Beginners will learn about how pieces move and the development of pieces. Intermediate and advanced will learn basic tactics and piece combinations.

Gr. K-5 \$130

CHEERLEADING: Develop the fundamental skills of tumbling, stunting, choreography, motions, jumps, and performance while using the sport to learn valuable life lessons including perseverance, leadership, and sportsmanship. End of session presentation.

Gr. K-5 \$160

CLUB SCIENTIFIC: The Life Cycle Protocol - It is time to discover the secret to life! Learn how fungi are in a kingdom all by themselves. Growing yeasts, scientists will investigate their energy source and how they are affected by temperature. Enjoy exploring fossils and dinosaurs as they develop their own classification systems and more!

Gr. K-2 \$160

CREATIVE COOKS: "Back to the Basics!" - Feel confident and empowered in the kitchen. From plating to presentations, mastering the "mother sauces", bread making (will be a make and bake at home recipe), spice/herb recognition resulting in diverse dishes, dairy/gluten free desserts, and vegetarian cuisine. Of course...the best part about cooking is eating and sharing! So look out for take-home treats!

Gr. K-5 \$160

GOLF: Tee off with our TGA Junior Golf Program developed by certified golf professionals. Tailored to all ages and skill levels; equipment is provided.

Gr. K-5 \$160

LACROSSE: Develop athleticism, sports intelligence, and teamwork skills through unique exercises and games. Develop a broad base of introductory skills (throwing, catching, cradling) and then hone their use within friendly competitions.

Gr. 3-5 \$160

ROBOT RUMBLE: Use logic, reasoning, and critical thinking skills to discover the endless world of robotics. Through hands-on lessons and exciting demonstrations, de-mystify how robots work through scientific exploration. First, learn about the robots that we rely on and see everyday before moving on to study how they "think" and accomplish advanced tasks. Delve even deeper into it by designing and assembling our own robots. Learn how to build and program these 'bots using inquiry-based learning and cutting edge technology that will capture young minds and foster a love for learning about the world through science.

Gr. 3-5 \$195

TENNIS: Emphasis on footwork, agility, tennis strokes, sportsmanship, and individual development. Learn to consistently hit balls when fed by the pro. Develop hand-eye coordination, footwork, and basic tennis strokes through a variety of hitting/catching activities and games.

Gr. K-5 \$160

Register Today! Space is limited.
