Presidents report

Next Fall calendar will be online no more paper copies and they can be merged with electronics

5013C status is going forward should be filed by the end of the school year, hopefully. (will take a while for application to go through)

Next year, Coordinating Council meetings will be moved to Wednesdays.

The nominating committee he presented to Cathleen Cahn as secretary, Bill Gallucci as treasurer, and Dena Allen as president for one more year. Motion was approved.

Ramapo/Indian Hills Superintendent Beverly McKay

Next year the high schools will partner with Ramapo College and Bergen Community College
Ramapo will offer psychology, sociology, public speaking will be offered at high school and receive college credit

Bergen Community College will give credit for Drawing 2, sculpture/ceramics.

Students can gain 18 credits for college at the high school level.

The high schools will also partner with Eastwick College doing share time programs with special trades

One of the district goals is wellness including mental, physical, social/emotional health.
Another goal is aim to partner with community and managing stress.

Mr. Collins-principal from Indian Hills High School
