Dear Parents/Guardians:

RE: Title I, Part A of the No Child Left Behind Act (NCLB)

The Wyckoff School District takes great pride in providing an environment that motivates all students to learn, to exercise imagination and sensibility in solving problems and to find opportunities for social growth and success. As a public school district, our ultimate goal is to ensure success for all our students. As a parent/guardian, you are an integral part in your child's success.

Title I, Part A of the No Child Left Behind Act (NCLB) provides financial assistance to states and school districts to meet the needs of educationally at-risk students. The goal of Title I is to provide additional instructional services and activities that support students identified as failing or most at risk of failing the state's challenging performance standards in mathematics, reading, and writing.

The following are documents that might be of interest to you:

- What is Title I?
- Parent Involvement Letter and School Parent Compact
- Title I Right to Know Letter
- Policy/Regulation **2415** - Title I Services

These are all available on the district web site: <http://www.wyckoffps.org/>

I wish you and your child a successful school year,

Sincerely,

Diane Schulthes
Director of Curriculum/Title 1 Program Manager
